### CONDITIONS OF APPROVAL

Permit will become null and void if authorized work is not commenced on or before expiration date of approval. Once started, construction work must be continuous. If work is suspended or abandoned for a continuous period of thirty (30) days, or for an aggregate total of forty-five (45) working days, this permit will be null and void.

Application is hereby made to obtain a permit to do the work and installations as indicated. I certify that no work or installation has commenced prior to the issuance of a permit and that all work will be performed to meet the standard of all laws regulating construction in this jurisdiction.

I understand that a separate permit must be secured for electrical work, plumbing, and mechanical work associated with this permit. The granting of this permit does not presume to give authority to violate or cancel the provisions of any other federal, state, or local law regulation construction or the performance thereof.

I certify that all the foregoing information is accurate and that all work will be done in compliance with all applicable laws regulation construction zoning.

**This permit is issued subject to specific Zoning restrictions adopted by the City of Madeira Beach, Florida.**
