CITY OF MADEIRA BEACH – CONSTRUCTION / TRAFFIC IMPACT
Rex Place Road Reconstruction and Drainage Improvements.

Madeira Beach, FL, November 16, 2017– The City of Madeira Beach has contracted with Keystone Excavators, Inc. to improve Rex Place and work will commence as soon as December 4, 2017.

The first phase of the program entails that Keystone will be onsite bringing on equipment and storing materials utilizing several parking spots at the end of Rex place. During this process they will be installing erosion control devices. Phase two start demolition of driveways, sidewalks, curbs, storm drainage and roadway reconstructed at the east end of Rex Place and work towards Municipal Drive. This work will require road closures at certain times throughout the project. Full project completion is set to be within 270 calendar days.

Work will begin weekdays at approximately 7:00 a.m. and will finish around 3:30 p.m.

Residents within the active work zone limits who park their cars overnight along Rex Place or within the active construction zone, please be sure to move it prior to the 7:00 a.m. construction start time.

We understand that this may be a short-term inconvenience and we hope to work together with residents and visitors in a professional and amicable manner for the long-term improvement of our neighborhood.

Residents should expect to begin to see utility companies painting the streets and putting little flags in the Right of Way. Please do not remove or alter these marks for the duration of the project.

If you have any questions regarding this notice or the road construction project, feel free to contact Public Works at (727) 391-2631.

The City would like to thank those affected for their patience and cooperation during this project.
