## CITY OF MADEIRA BEACH NEW PARKING METERS

*Park by tag number arriving soon to Madeira Beach.*

Madeira Beach, FL, December 2, 2017– The City of Madeira Beach will be installing new parking meters in all current pay to park lots beginning December 4, 2017.

With advancing technology residents and visitors will now be able to park by tag number. Information on how to work machines will be announced on localized signs. Charge for parking in all City lots is \$2.00 per hour.

Current resident parking passes will be honored through the end of the year. When residents renew parking passes their tag numbers will go in to the new system continuing to allow for free parking. Residents can sign up or renew at Madeira Beach City Hall located at 300 Municipal Drive during normal business hours 8:00 a.m. to 4:30 p.m. or via mail by downloading the online application available at <http://madeirabeachfl.gov/parking-information/>.

More information on parking meters and directions coming soon. We appreciate the patience of our local residents and businesses through this transition.
